

Egg Carton Turtle:

Supplies/Materials Needed:

1. Egg Carton
2. Googly Eyes (If no Googly eyes just use marker, pen or paint)
3. Kids Scissors
4. Green Construction paper, colored paper or white paper.
5. Glue, or Tape
6. Green art cotton puff or cotton ball as a replacement
7. Paint, markers, crayons, tissue paper, colored pencils- anything really for decoration!

Steps:

1. Gather your materials
2. Cut the bottom of egg carton into individual pieces
3. Cut your paper into small "fins" - these can be circular, triangular or however you would like them to look. If you are using white computer paper, or lined paper, color these green. Feel free to add design!
4. Color or paint the egg carton green (or any color if desired)
5. At one end, glue your cotton ball or green puff ball
6. Draw eyes or add Googly eyes onto the cotton
7. Glue two flippers on each side.
8. Glue the tail on the opposite end of the head.
9. Decorate as desired!
