2. White paper plates (small)
3. Green tempera paint (optional, or use marker, or leave white!)

5. Scissors or a paper cutter
6. Pencil
7. Paintbrush (only if using paint)
8. White school glue
9. Black permanent marker (or dark pen)

Instructions:

1. After gathering supplies, paint the back of their paper plate green, or color, or leave blank - up to you!
2. Trace the frog's eyes and mouth using the free printable template. Trace the large circles on white paper, and the small circles and frog's mouth on black paper. Glue the frog's eyes and mouth to the paper plate.
3. Trace your hands on the green paper. Cut them out, then glue them to the back of the paper plate.
4. Use scissors or a paper cutter to cut a 1-inch strip of red paper, then round the edges.
5. Wrap the paper around a pencil, dowel rod, or straw to curl it.
6. Glue the red paper to the frog's mouth to give the frog a tongue.
7. Last, use the black permanent marker to draw 2 round nostrils under the frog's eyes.
